

FREE SMALL BUSINESS MAKE-OVER WORKSHOP

WORFORCE

BLUEPRINT

Marion Learning Festival

Make-over your business and yourself by developing a plan for the future.

Evaluate strengths and development needs, your image and work life balance.

This FREE workshop delivered as part of the Marion Learning Festival and is aimed at current and potential small business owners covering:

- **Personal image and brand** – how your personal presentation reflects your business
- **Stage of your business and plan** - what stage is your business at – growth, sustaining, maturing? What are relevant measures and targets to set for your business?
- **Small Business Pulse Check** – review your strategic directions, business processes, human resources, finances, customers and market analysis to gain a picture of your businesses strengths and development needs
- **Action Plan** for you to take away and put into practice.

The **target audience** for the Small Business Make-Over is service based businesses, mobile and home based businesses, family businesses, working at home parents, Mum/Dad/Teenpreneurs. The workshop will be delivered **free of charge** to participants. To register your interest in the program, please complete the registration sheet.
