## Testimonials

### What do participants and clients say about Workforce Architects?

#### About our facilitators:

*The presenter is a wonderful, knowledgeable resource, this coupled with the opportunity for consultancy visits and group work = excellence!*

*Strengths were the facilitator's knowledge and interaction between the facilitator and the group*

*Experienced practitioners with practical experience*

*Strong expertise to apply to group engagement*

*Facilitator has great knowledge*

*Thank you for your knowledge and passion*

*Provided an opportunity to share points of view*

*Easy to listen to*

*Liked the interactive approach, different background's of the participants being 'allowed' into the session, real life scenarios and logical sequence*

#### About the content:

*Great overview for a new work area that I have found myself in. Plenty of tools and information to digest*

*Relevant examples, strong industry knowledge and clearly communicated*

*Excellent content and presentation*

*Well presented – clear, succinct and good examples*

*Loved it! Want more!*

# Testimonials
